COLLECTION THEMES

Scandi SPIRIT

Embrace the Scandi Spirit! Where simplicity meets elegance, and every piece brings a sense of calm into your space. Inspired by the tranquil landscapes and the minimalist lifestyle of Scandinavia, this collection is a tribute to the art of living well.

In our Scandi Spirit theme, the lush greens of Nordic forests meet the soft neutrals of Scandinavian winters, creating a harmonious blend that soothes the soul.

Scandi Spirit transforms any room into a sanctuary of style and tranquility. This is where design isn't just seen, but felt.

Candy Circus

Ladies and Gentlemen, Boys and Girls, get ready for a ride into the heart of fun with our "Candy Circus" theme!

This is where the sweet allure of candy meets the fun touch of the circus, creating a playful parade of decor for the young and young at heart.

The products in this theme bring a vibrant splash of cotton candy pinks, sky blues, and sunrise oranges, bringing to life the joy and merriment of a day at the fair.

Natural Glow

Discover Natural Glow: where the beauty of natural materials and the radiance of soft light come together to create warmth in any space. Our collection celebrates the authentic textures and tones that nature itself has crafted, infused with a glow that captures the essence of a cozy, sun-kissed afternoon.

With "Natural Glow" you'll turn any living space into a soft place of earthy colours and gentle light; a tribute to the timeless aesthetic of the natural world.

Glam WINTER

Explore the luxury of Glam Winter, a theme that promises to sprinkle a layer of frosty elegance on your customers' homes.

This is not just a collection theme; it's a winter wonderland transformed into a dazzling range of decor pieces, each telling its own story of sophistication and glamour.

From fun wall art to disco inspired pieces; every piece is a nod to the days when glitz was the norm, and every corner was a chance to make a statement.

In memoriam of Joyce

25-09-1983 ♥ 25-05-2023

**“It makes me really proud that my design
contributes to a good cause.”**

One out of seven women and some men get to deal with breast cancer in their lives. Unfortunately I am one of those women and there are more women close to me and my colleagues at Present Time who had or have to experience this. That is why we have decided to give 5 % of the proceeds of the Joy clock, a clock I designed for Karlsson, to Pink Ribbon. Pink Ribbon is a foundation which supports the research of breast cancer, not only to cure, but also for prevention, personal treatment plans and quality of life. It makes me really proud that my design contributes to research.
