*brings you good times*

*Collection 2025*

# Dear NeXtime Friends,

*Can you believe it? NeXtime is turning 55 ! That's 55 years of making customers' special moments timeless—and we couldn't have done it without you.*

*This milestone feels extra special because we're not just celebrating the past; we're looking toward the future.*

*In 2025, we are not just bringing our new clock collection but also we're thrilled to introduce NeXtime Living, our brand-new lifestyle collection. Imagine lighting that transforms a room, decor that sparks joy, and collaborations with some truly inspiring artists and designers. It's all about adding that perfect touch to your life—beyond just timepieces.*

*We've always believed in leading the way, not only by following trends but also by bringing special ideas, and this year's line-up is no exception. With our new clock collection but also by bringing NeXtime Living we want to bring more good times.*

*So, here's to 55 incredible years—and the many exciting moments we'll create together in the future. Thank you for being part of our journey. Let's keep making life beautiful !*

**Warm wishes,**

*Alain Frie & Angela Lee*

# NEXTIME

*brings you good times*

NeXtime is a bold and innovative Dutch design brand with 55 years of history. This year, we're proud to expand beyond timepieces with the launch of NeXtime Living—a range that includes lighting, décor, lifestyle products, and designer collections created in collaboration with inspiring artists.

From minimalistic and sophisticated to playful and unexpected, NeXtime products are designed to make life more beautiful in every aspect.

We dare to be different, attend to every detail, and deliver a seamless blend of design excellence and functionality—bringing good times to people around the world.

# 2025 Highlights

# We have something for every style.

## DESIGNER

A statement about your special  
personality

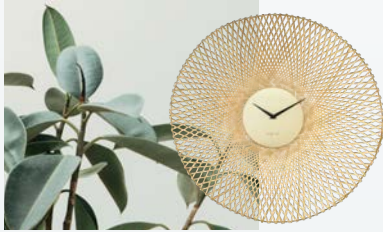

## PEACE & CALM

Symbolic images and patterns that exude  
harmony and a blissful feeling

## MODERN CLASSIC

Vintage-inspired designs reviving timeless  
aesthetics

## NATURAL HABITAT

Superb craftsmanship connecting you to nature

## CITY BEAT

For city forerunners who look for the best in life

## WORKPLACE

Robust functionality to match your desired efficiency at work

## DIGITAL

Retro chic with modern-looking digital clocks

## WEATHER & GARDEN

Water-resistant clocks telling weather info and great for outdoor use

## TABLE & ALARM

Table top timepieces that also make beautiful display items

## FUN

Put a smile on your face every time you check the time

## VALUE

Good value at affordable prices

# Special Features

Our clocks are made with love and passion and highlight design or a special feature. Below you find the most important features.

## Silent movement

No more annoying ticking sound? Then go for a clock with a silent movement and make sure you can enjoy time in a relaxed way

## Radio controlled

The clock will be set automatically because of the Radio Controlled signal from Frankfurt. You don't have to worry about summer or winter time, the clock will always set itself to the correct time with the radio controlled signals from Frankfurt, which means it is for the time zone GMT+1(CET)

## Weatherproof

These clocks are suitable for both indoor and outdoor use. Ideal for patio, bathroom or pool.

## Table and wall clock

Clocks made with separable stands or small stands that can be hidden behind clocks to give the convenience and extra option of using them for the table or the wall

## Moving gears

These clocks have special moving gears that can be controlled separately

## Peace & Calm

The clock series of modern and stylish designs features symbolic images, patterns and colours that exude harmony and a blissful feeling.

Feathers swirling on top of a golden sky, gold fish swimming in a lotus pond, and koi fish circling in rhythmic ripples silkscreened at dual levels - the lens and the dial, to create an illusion of motion. Designed by WENergy, the 30cm silent clocks take your mind to a journey of imaginary dimension and mental escape.

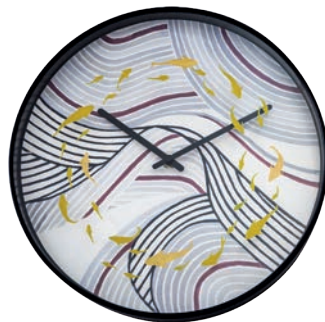

### Feathers • 3311

Designer: WENergy  
30 cm Ø • Plastic • Multicolor

### Pond • 3312

Designer: WENergy  
30 cm Ø • Plastic • Blue

### Koi • 3313

Designer: WENergy  
30 cm Ø • Plastic • Grey

*The patterns are printed on double layers (on dial and on glass lens)*

The floral patterns cut in natural wood and calming colours in their brushstroke background are associated with spirituality in various cultural contexts. Designed by Jette Scheib, the 40cm silent clocks hope to create a connection to nature and will definitely bring elegance and peace to the room.

### Concord • 3306

# Workplace

**Robust functionality to match your  
desired efficiency at work**

## Double Small

NeXtime's Double Small (32cm) is a double-sided aluminium station clock that combines a robust design with practical functionality, making it an ideal choice for both work and home environments. Its double-sided feature ensures the time is easily visible from any angle. One side of the clock with a simple white dial and the other side with cool black colour, creates a bit diversity and fun in one clock and for the interior.

### Double Small • 3334AR

## Flip clock

The "Flip Clock" has a classic and authentic design with a cool retro look. You can easily hang this clock on any wall or place it on a table, making it a beautiful and functional accessory for your home or office. The clock displays analog time with flips that change with the passage of the minutes and hours. The case has a transparent front that protects the flips from dust.

# ECO

In an era where time and sustainability are of utmost importance, clocks using bio-based degradable materials is a welcome breakthrough. Not just tools to mark time, these eco-friendly timepieces are a symbol of a greener, more conscious lifestyle.

Remarkably, they are up to 75% more sustainable and eco-friendly compared to traditional clocks, setting a new standard for responsible living.

# USB batteries

We want to contribute to the sustainability of the planet by helping reduce the use of disposable batteries since they are a burden to the environment. This is why we are offering an alternative - NeXtime USB batteries. They rechargeable and can be used in NeXtime clocks, or other devices that run on batteries.

- Rechargeable up to 2000 times
- Easy charge with any USB port
- Fully charged in 2-3 hours
- Indicator to show charge completion
- Ideal for everyday use and for travel
- Includes a storage box

**USB Battery • AABAT003-2**  
AA USB battery 2 pcs

**USB Battery • AABAT003**  
AA USB battery 4 pcs

2000 times rechargeable

## Clock Stand

Clock stand to display an individual clock of up to 43cm in size.
